This will bind them to a contract with you, that if you are detained or arrested by law enforcement they will be personally responsible to compensate you up to \$500,000. per incident. In most cases you will be put on a Do Not Detain/ Do not Stop list.

**\*Child Support Enforcement Avoidance:** – We teach you how to effectively respond to summonses, how to establish contractual agreements amongst the parties that truly benefit the children involved. Our services are NOT geared for avoidance of responsibility, but avoidance of third parties.

**\*Choosing the Right Vehicle:** —*Monopoly is a game best played when the rules are established and known by all the players. You and I, were unfortunately thrust into this world of commerce in a vehicle without brakes or a seatbelt. We will describe the different vehicles you should be using and all of the safety features that are available.*

## Private Administrative Process

## The Pen Is Mightier Than The Keyboard

Words have power. handwritten words have unquestionable power. Two quick points, think back to your favorite cop show where a detective is interrogating a suspect, then gives him a pen and pad to “write” his/her confession..; Second point, Capital One, the IRS, and/or utility bill companies will never send you a written letter, it will always be typed. Only humans can interact by exchanging written words, companies and corporations are fictions and must be represented through a human but in typed form unless the individual is assuming responsibility for the fiction... Don't believe a word in this document, look this stuff up for yourself!

Hand written letters, contracts, agreements, leases etc, combined with a timely Private Administrative Process (PAP) will prove to be a decisive tool in your war chest **\*Warning: NEVER SIGN ANY-THING IN BLACK INK\***
